Sunday was a typical Easter day and despite the fact that many people were mixed on what time to go to church the churches all had large audiences, and some excellent Easter sermons were delivered. At the Congregational church in the morning at the annual sunrise service there were about 100 people in attendance, the largest number since these services were inaugurated by this church several years ago. At the morning service 23 new members were received into the church. In the evening at the Baptist and Methodist churches the children gave an Easter concert. Both were much enjoyed.

A. team of St. Johnsbury by a score of 50 to 16, the scouts scoring 37 points in the last 15 minutes of play, due to the whirling and brilliant playing and shooting of Sylvester, Mitchell and Robb.

The visitors were left hitched to the post, only two of the Y. M. C. A. boys being able to size up the dazzling plays of the locals, Foye and LaCroix, who played a hard and consistent game throughout. There was a good attendance and the dance following the game was much enjoyed.

The annual Easter hospital benefit dance was held at the gymnasium Monday evening, and was largely attended, and the dancers put in one of the pleasantest evenings ever spent under the auspices of the ladies' auxiliary of the hospital. How Any Woman Can Remove Hairy Growths

(Beauty Culture)

It is not longer necessary for a woman to visit a beauty specialist to have superfluous hairs removed, for, with the aid of a plain depilatory paste, she can, in the privacy of her own home, remove even a stubborn growth in a very few minutes. This paste is made by mixing some water with a little powdered delatone. This is applied to the hairs and after 2 or 3 minutes removed and the skin washed, when it will be left clear and hairless. Be sure you buy real delatone.—Adv.

BOOM T. R. FOR WHITE HOUSE 1920

America's Real Leader, Declares the
New York Trib-

une.

New York, April 2.—The New York Tribune yesterday came out editorially for Colonel Roosevelt for president in 1920. It declared him to be the "leader of Americanism," and said:

"He is the only man who can restore the party's prestige and make it again an instrument of militant Americanism." Announcement by The Tribune that the colonel will be the Republican candidate for president is taken to indicate that some party leaders plan to wage a hot political fight to oust the Democratic administration from Washington. The Tribune's editorial is the first clean-cut "say-so" that Roosevelt and his backers intend to launch into a partisan political conflict, although Roosevelt's Portland, Me., speech indicated this, politicians say.

At Portland, Roosevelt laid stress on the declaration that loyalty to the nation does not mean it is unpatriotic to criticize the conduct of the war by the president and the Washington administration. The Tribune points this out and says the attitude is a "popular delusion."

LEMON JUICE IS SKIN WHITENER

Cheap Home-Made Beauty Lotion to Remove Tan, Freckles, Swallowings.

At the cost of a small jar of ordinary cold cream one can prepare a full quart of the most wonderful lemon skin whitener and complexion beautifier, by squeezing the juice of two fresh lemons into a bottle containing three ounces of orchard white. Care should be taken to strain the juice through a fine cloth so no lemon pulp gets in, then this lotion will keep fresh for months. Every woman knows that lemon juice is used to bleach a darkened skin and remove such blemishes as freckles, sallowness and tan and is the ideal skin softener and beautifier.

Just try it! Get three ounces of orchard white at any drug store and two lemons from the grocer and make up a quart pint of this sweetly fragrant lemon lotion and massage it daily into the face, neck, arms and hands. It is marvelous to whiten rough, red hands.—Adv.
